Professional Summary

Detail-oriented Computer Science graduate with a passion for web development, seeking to leverage skills in programming, front-end and back-end technologies, database management, and project collaboration to contribute effectively in a dynamic work environment.

Education

Bachelor of Science in Computer Science
Kirinyaga University, Kenya
2019 – 2024

Skills:

Programming Languages: Python, JavaScript, php

- Front-end Development: HTML, CSS
- Back-end Development Framework: React
- Database Management Systems: MySQL
- Version Control Systems: Git

Projects:

1. Salon System Program

- Developed a comprehensive salon management system incorporating features for appointment scheduling, client management, and inventory tracking.
- Utilized Python for backend logic and JavaScript, HTML, and CSS for frontend development.
- [[GitHub Repository: https://github.com/Mburu-Wanjiru/James-Mburu](https://github.com/Mburu-Wanjiru/James-Mburu)]

2. ATM Website Development

- Contributed to the creation of a responsive and user-friendly website for an ATM, encompassing both frontend and backend functionalities.
- Collaborated closely with team members to ensure seamless integration of features and smooth user experience.
- [[GitHub Repository: https://github.com/Mburu-Wanjiru/banking-system](https://github.com/Mburu-Wanjiru/banking-system)]

Work Experience

Attachment

Jomo Kenyatta University of Agriculture and Technology,
June 2023 - August 2023

- Gained hands-on experience in web development projects, focusing on frontend and backend technologies.
- Assisted in debugging and testing of web applications, ensuring functionality and performance.
- Participated in team meetings and contributed ideas for improving project workflows and efficiency.

Additional Information:

- Strong analytical and problem-solving skills.
- Excellent communication and interpersonal abilities.
- Proven ability to work effectively in team environments and meet project deadlines.
